

Quick Ship Options

More Speed. Less Cost.

2 Day Offices

5 Day Guard Booths

Superior Construction

Are you looking for a high-quality, premium shipping office or Guard Booth and have tight deadlines to meet? Worry no more! Panel Built offers only the best with swift delivery.

"We needed modular facilities quickly, as our customer, Robins Air Force Base, had specific timelines we had to meet. One call to Panel Built solved my company's need for a quality supplier and the government's request for timeliness on this project. Panel Built performed beyond all expectations."

- David Bakare CEO, Executive Coach Builders

TECHNICAL INFORMATION

2 Day Offices

A modular office provides a fast, reliable and secure space for all your office needs.

Panel Built now offers custom-built and swiftly delivered offices right where you want them.

Panel Built's Sales and Engineering teams work in coordination with each other to craft the ideal office fast. If you choose to go ahead with the master plan, you will have your office right where you want it, in just 2 business days.

Standard Options

These modular offices boast high quality construction and materials, and include the following standard options:

- 8' or 10' foot tall walls
- Gypsum panels with a polystyrene core, covered with vinyl and both sides having same color
- 2' x 4' suspended ceiling system
- Corrugated metal roof deck
- Champagne, grey or white color
- A standard through-wall HVAC Unit
- Doors that are 3-0 x 7-0 or 6-0 x 7-0
- 1/4" thick clear tempered glass windows
- Standard Electrical Equipment such as duplex receptacles, switches, data and troffer lights)

5 Day Guard Booths

Quick ship guard booths from Panel Built, Inc. are ready to ship in five days and are available in five sizes.

Constructed of high quality steel panels, these guard booths come pre-assembled on a powder-coated steel base.

Each unit comes standard with a powder-coated diamond plate floor, half-glass metal door with hardware, and flat roof panel system with built in gutter.

Pick a Size

- 4' x 4' x 8'
- 4' x 6' x 8'
- 4' x 8'3" x 8'
- 6' x 6' x 8'
- 6' x 8'3" x 8'

Additional Options

- Half-Glass or solid leaf metal door
- Horizontal sliding or picture windows
- Picture window
- Galvanized steel counter top
- Surface mount fluorescent light
- Roof mount HVAC or through-wall HVAC
